

Overview:

The EVOLED range is a circular spun aluminium luminaire sealed to IP20. Incorporating Tridonic LED light engines and high output opal polycarbonate optic.

Range:

Powered by Tridonic LED light engines.
Available in a range of finishes.
Available in two sizes: 350mm and 450mm diameter.
Integral emergencies can be supplied upon request.
Microwave sensors can be provided upon request.
Two colour temps: 3000K & 4000K

Mounting:

Surface

Construction:

Aluminium

Controls:

Electronic - Standard
DALI - DALI

Efficiency:

Optical efficiency (DLOR) 65%
